Getting Started

Type https://patient.labcorp.com into your Internet browser. Make sure you enter https:// in the URL. (You may also want to bookmark this site to your favorites.)

Step 1: Sign up

Click Create My New Portal Account

All users must create a new account in the LabCorp Patient Portal. You may have previously registered to use LabCorp Beacon®: Patient, but to use the new portal, a new account is required. You can continue to use your existing LabCorp Beacon®: Patient User ID as your new patient portal User ID.

If you registered as a Beta participant, your user account is valid and you do not need to re-register.
Sign up (Continued)

Create an account by completing the New Registration Form. You have the option to use your last four digits of your Social Security number or a valid Driver’s License number (available only in certain states†) to verify your identity during registration. **You must select the button for Driver’s License or last four digits of Social Security number to enter the information.**

After you have completed the New Registration Form, click **Create Account**, and you will receive a PIN number in an email sent to the email address you provided.

†The Driver’s License option is available only in the following states: CT, DE, FL, ID, IL, KY, LA, MA, ME, MI, MN, MO, MS, NC, ND, NE, NH, NV, OH, SC, TN, TX, WI, WV, and WY.
Step 2: Email Verification

After you click **Create Account**, please note the following:

- Do **not** close your window or click the back button on your browser
- Check your email to receive your verification PIN number
- Return to your browser
- Enter the verification PIN number.
